MEMORANDUM

TO: Assistant Professor Steven D. Anderson

FROM: Nancy L. Mergler
Senior Vice President & Provost

DATE: March 15, 2000

SUBJECT: Tenure Recommendation

I have reviewed the recommendations and the accompanying materials concerning your candidacy for tenure, and I am pleased to inform you that, consistent with the recommendation of the faculty, Dean Paul B. Bell, and the Campus Tenure Committee, I shall recommend to President Boren that tenure be granted. Following President Boren's review, a recommendation will be forwarded to the University Board of Regents for action at the May 4-5 meeting.

The choices that the University makes in granting tenure are, as the Faculty Handbook states, crucial to our endeavors toward academic excellence. Your record has been judged by your colleagues to reflect high professional competence and performance measured against national standards. I concur with this evaluation and personally want to express appreciation for the quality of your contributions.
